In re Application of Ranka et. al. :
Application No. 10/017,074 :
Filing Date: December 7, 2001 :
Attorney Docket No. Product Engine-008 :

Decision on Petition

This is a decision on the petition under 37 CFR 1.137(b), filed March 10, 2010, to revive the application.

The petition is **granted**.

The application became abandoned for failure to reply in a timely manner to the non-final Office action issued September 12, 2008, which set a shortened statutory period for reply of three (3) months. An extension of time under the provisions of 37 CFR 1.136(a) was not obtained. Accordingly, the application became abandoned on December 13, 2008. A Notice of Abandonment was issued April 2, 2009.

The instant petition requests revival of the application.

A grantable petition under 37 CFR 1.137(b) must be accompanied by:

- (1) The reply required to the outstanding Office action or notice, unless previously filed,
- (2) The petition fee,
- (3) A statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, and
- (4) A terminal disclaimer and fee if the application was filed on or before June 8, 1995 or if the application is a design application.

Petitioner has submitted a reply to the non-final Office action in the form of remarks and an amendment. Petitioner has submitted the required petition fee of \$1620. Petitioner has stated the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

The Petitioner has met the requirements to revive the above-identified application pursuant to 37 CFR 1.137(b). Therefore, the petition is granted and the application is revived.

Technology Center Art Unit 3688 will be informed of the instant decision and the application will be further examined in due course.
